
Napropamide (Devrinol) Use in Arizona

Date: July 18, 2005

To: [Harold D. Coble](#)
Agronomist
USDA/ARS/OA

From: [Rick Melnicoe](#)
Director, Western Region Integrated Pest Management Center

Dear Harold,

I received the [following information](#) on napropamide from Arizona:

[Rick Melnicoe](#)
Director, Western Region Pest Management Center
Director, Office of Pesticide Information and Coordination (UC Statewide Pesticide Coordinator)
One Shields Avenue
University of California
Davis, CA 95616-8588
Telephone: (530) 754-8378
FAX: (530) 754-8379

Date: July 11, 2005

To: [Al Fournier](#)
University of Arizona

From: [Kai Umeda](#)
University of Arizona

Subject: [Request from Demson Fuller re napropamide](#)

Al:

We did not ever find a good fit for napropamide in the desert. Did some testing several years ago but could not find weed spectrum where it would be of benefit. Can't remember crop phyto on cole crops but there should be veg reports between 1994-2003.
