Permethrin, Case 2510; EPA-HQ-OPP-2011-0039

Megan Snyderman, [snyderman.megan@epa.gov](mailto:snyderman.megan@epa.gov), (703) 347-0671.

FRN: Vol. 86, No. 207

Pesticide Registration Review: Draft Human Health and/or Ecological Risk Assessments for Several Pesticides,

Permethrin is used in agriculture in Hawaii and the American Samoas. However, comments for permethrin for use as antimicrobial/wood preservative are lacking and have not been documented in the pacific islands to my knowledge.
